

DBMaker/DBMaster FAQ Document

Question:

What's the cause of ERROR(2405)? (DBMR2683)

Answer:

ERROR(2405) is a license option error. If use an evaluation version not activated by any license numbers, users should consider the following limitations on the license.

1. Free Trial Period: 90 days
2. Max Connection: 5
3. Max Page Size: 8K
4. Max Journal File Size: 2G

Version: DBMaker 5.x

Product: Normal/Bundle

Platform: Windows/Linux
